

Volunteer Income Tax Assistance offices
and Military OneSource offer

FREE tax consultation and electronic filing

to eligible service and family members.

Visit your installation's Volunteer Income Tax Assistance office to have your income taxes completed free or use Military OneSource's free tax preparation and filing service under the watchful eye of a tax professional.

Your Volunteer Income Tax Assistance office professionals can provide tax counseling face-to-face or while you complete your tax returns via Military OneSource's self-paced tax filing and preparation service.

At Volunteer Income Tax Assistance locations participants can self-file using Military OneSource, sit down with a trained tax professional and have their taxes completed, or drop off their tax forms and return at a designated time to complete the filing.

Visit your installation VITA office* located

or call

to set up an appointment.

*Not all VITA offices are full-service locations. Contact your nearest office to determine services rendered.
